Manager's Report

Welcome Back Everyone!!

Hoping everyone had a great summer??? Hard to believe that we will be starting our favorite winter pastime in only a few weeks. All leagues will begin on October 1. Make sure you contact your league representatives and get signed up early.

Just to update all of you on what's been happening at the rink this spring and summer.

Since we have been so busy the past couple of seasons with all the major renovations, this year was definitely a little quieter on the number of projects taken on and it is now time to save a little money for the future. The main job in the off season was the renovation of the Ladies washroom on the main floor and hopefully the locker room washroom will also get a facelift. Once again Mark and Cliff did an awesome job.....it looks fantastic! The ice surface floor was stripped of the old paint. This took three passes with different diamond blades and a densifier was applied to make the surface smooth and dust free. We will now be able to have events without the mess of the old flaky paint. We just had a wedding with over 350 guests and the space was totally transformed and the floor was well used. It will also make for an easier clean up at the end of the season.

We are pleased to have Sammy Cheung of Sammy's Little India returning to our establishment this season. Sammy is eager to provide a terrific food service to our members and banquet functions. She will have a western menu as well as a couple of her famous Indian dishes. She will be open from 11-7 Monday through Friday and during special events. Coffee service from 9-11am. Please support her and if you are looking for extra catering needs, please keep her in mind.

Mark will be returning as head ice technician this season. The ice plant will be turned on September 20 with install beginning Sept 22rd and with the help of his boys, I know we should have great ice all season. We will also have two new pumps in the back. With the Brine Pump failing at the end of last season and operating with only one, the board decided to replace both. They should be installed next week and ready to go for start-up. Lounge staff Tanis Stadnyk and Misty Ross will be providing our members with their great service once again and we plan to implement some specials and fun events to make your lounge experience pleasurable. Denise will not be returning this season, but would like to thank everyone for the experience. Misty will be helping me out in the office position. Looks like it will be another fantastic year with great staff in place.

We will be hosting the Men's Southern Alberta Playdown in January and our major event this season will be the 2019 Optimist Alberta U18 Curling Championship. More information in the newsletter regarding these exciting events!! Please consider signing up to help with these events.

Looking forward to a great season....see you on the ice October 1st

Vicki Sjolie
Manager

President's Report

President's Message

Welcome to the 2018-2019 Curling Season at the Medicine Hat Curling Club!

I would like to thank the outgoing Board Members: Ray Aman, Ina Leahy, Rosanne Palichuk, Carol Eisenbarth, Kirk Frandsen, and Harry Noel for their service to our Club. I am pleased to welcome the new Board Members: Crystal Sherwick, Bryden Smith and Norm Emann.

On behalf of the Board of Directors, the League Reps and all the staff I would like to extend a warm Welcome Back to our returning members and a heartfelt Hello and Welcome to our new members!

The Board is pleased to announce that Vicki Sjolie will again be our General Manager, and Mark Sjolie will be our Head Ice Technician. This gives us the solid base needed for a smooth start to the season and success throughout the season. Their knowledge and expertise will also assist the Board in identifying key capital and equipment issues, sourcing opportunities for funds and looking to formalize a plan that will address both immediate and long-term needs.

Enjoy the season and "good curling"!

Stan Aberle
President

ATTENTION CURLING FANS!

The Medicine Hat Curling Club is hosting the
2019 Optimist Alberta U18 Curling Championship

March 14 - 17, 2019
